THE FOLLOWING ARE THE MAIN APPROACHES BASED ON WHICH THE STRATEGIES AND PROGRAMME OF THE SOCIETY ARE DESIGNED. THE MAIN ACTIVITIES OF THE ORGANIZATION ARE FOLLOWING

Educational Development Programme

Aadarsh Shikshan Prasarak Mandal, Savarde has to impart many kinds of learning to women and Child like the learning of concepts, rules and principles, aesthetic discrimination etc, through problem solving and other skills. Inherent to the acquisition of these Kinds of learning are the development of the right of the right attitude and values. It is important to realize that values cannot be entirely taught as a subject in school and the inculcation of values can do it be left only to the moral science or value education teacher. Every teacher of this society is equally responsible for this undertaking inside and outside the classrooms, for value education. There are many procedure & influences through which a child forms its attitude and values

Science Exhibition

The Annual Science Exhibition was held at our School on 19th January 2017. It is organized every year with a view to encourage and inculcate a scientific temper amongst students. The exhibits by the students were indeed eye openers on various topics related to Green Energy, Innovation in Transport , Communication, Agriculture, Technology, Bio- diversity, Community Health , Environment & Mathematical Modeling. With an endeavor to promote scientific attitude among budding young students, this exhibition was one of its kind. A Science exhibition is generally at competitions where contestants present their science project. Students get a platform to show what they have learned & what they are good at as well. Students from 5th to 9th standard participated in science exhibition. There were 10 models, 15 working models & 12 science experiments. Mrs. Bajarang Lugade, Secretary, of school, thanked all the students for making this event a success and appreciated their novel projects. He also summed up the true essence of this exhibition by saying science gives us tools of immense power and as with any other form of power, the misuse is always a possibility. It therefore, becomes incumbent on us to become judicious and use these wonders with utmost care.

Tree plantation

Ecological and environmental value. Trees contribute to their environment by providing oxygen, improving air quality. Climate amelioration conserving water, preserving soil, and supporting wild life. During the process & photosynthesis trees take in carbon dioxide and produce the oxygen we breathe. We had done tree plantation program on 1st July 2016, with the help Local doctors trustees, teachers, and all students.

SOCIAL WELFARE DEVELOPMENT PROGRAMME

In Maharashtra, there are many social problems that need to be addressed. For addressing the social problems social welfare programme was organized by Aadarsh Shikshan Prasarak Mandal, in Town- Hatkanangale Dist - Kolhapur in Maharashtra. To provide financial supports to the rural women we had created a platform, and gave initial trainings on cooking of fast food and other eatables, and at the end had organized farewell where interested women had built-up stall of various eatables. Women were able earn around 5000 rupees from this farewell.

Sports

The importance of the sports and games in school encompasses more than just the benefit of physical activity increases in self steam and mental alertness make school sports and games necessary for every school age child. The children are encouraged to take part in various sports and tournaments. A program with this objective was organized on academic year 2016-17.

Women's day 2016-17

Intonations women's day is celebrate in many countries around the worlds. It is day when women are recognized for their achievements national ethic, linguistic, cultural, economic or political international women's day first emerged from the activities of labor movements.
